➤ COMMUNICATION

All information regarding absences, early pick-up, late pick-up, need to be sent directly to the office@coeuracademy.org. If you have an emergency requiring a response within one hour, you may call the school at (314) 733-9770. Otherwise, attendance information is checked through the office email and then directly sent to all teachers with specific instructions to the teacher who is teaching the student at the time of early dismissal or late arrival.

The office email is checked by two staff throughout the day. We ask that you do not text teachers during the school day as this takes time and attention away from instruction and students, and our utmost priority is student safety and learning.

2. Flu Symptoms: If a child has flu-like symptoms, including fever, aches, sore throats, cough, headache, chills, upset stomach and/ or fatigue, he or she must be kept at home. The flu is considered contagious as long as signs and symptoms persist.
3. Rash: A rash of unknown cause should be seen by a physician to determine the diagnosis. Students should remain home until the cause is determined and physician releases the child to attend school.
4. Sore throat, "cold" or cough: Children should stay home until symptoms are mild.
5. Head lice: Children must stay home and be treated with a special shampoo and may return to school when they are not free.

7. Pink Eye: The student should stay home from school until a physician gives treatment.

➤ PRESCRIPTION AND NON-PRESCRIPTION MEDICATION

- *Permission to Administer Medication* forms are available in the student enrollment packet. The forms will need to be filled out if applicable. If medication changes occur or a child begins a new medication after the school year begins, new forms must be submitted. Parents are responsible for requesting *Permission to Administer Medication* forms and alerting Coeur Academy staff when medical or medication changes.
- When a prescription medication is to be administered by the school, it must be in its original container, and the proper label must be affixed by a pharmacy or physician showing the name of the child, the name of the medication, the dosage and schedule of administration, the date of purchased, and the physician's name.
- All medications must be brought directly to a staff member. Please do not give medications to your child or allow your child to carry his or her own medication. Students are not allowed to keep medications in their backpack or personal belongings.
- A four week supply is recommended whenever possible. Knowing that you need to send a refill supply at the beginning of each month also makes it easier to remember.
- Non-prescription medicines including Tylenol, Advil, Benadryl, etc. must also be brought in and left with a staff member with specific instructions written and signed by parents.

➤ ARRIVAL AND DISMISSAL PROCEDURES

- Staff members have other responsibilities and may not be available for supervision before the school's start time or after the school day ends. If you need to drop your child off earlier or later than the normal school day hours, you may use Before/After Care for an additional fee.
- Start times are dependent on student schedules. Students may enter the building **10 minutes prior** to their start time, and must be picked up no later than **10 minutes** after the school day ends. If the student arrives before or after the 10 minute grace period the family will be charged the before or the after care fee.
- If a child needs to be picked up early, please contact the school office email at office@coueracademy.org. The school building will remain locked throughout the school day.

➤ SAFEGUARD FOR DROP OFF AND PICKUP

In order to be certain that children are safe and also to ensure that the drop-off and pick-up car lines move efficiently, the following safeguards must be observed:

1. Students are to wait in the car until a staff member arrives to escort them into the building. At that time their temperature will be taken. Parents may not escort their child into the building.

2. Morning drop-off and afternoon dismissal time can be very crowded and hectic. If you would like to talk to your child's teacher, please call or make an appointment rather than remaining in the carpool line for an extended period of time.

It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

➤ ATTENDANCE AND TARDINESS

- Children are considered tardy if they arrive after the official start time. PARENTS, WHO BRING CHILDREN AFTER THE SCHOOL START TIME MUST PARK, ACCOMPANY THEIR CHILD INTO THE BUILDING. Email the office at office@CoeurAcademy.org informing staff the student is late allowing access to the building.
- **All pre planned and unplanned absences and late arrivals must be emailed to the office at the beginning of the school day. Parents must also email or send a written note to the school office if a child will be leaving during the school day.** A parent must sign out the child in the office at the time of departure.
- Excessive absences interfere with student progress and their ability to learn and retain skills. Coeur Academy will monitor student tardies and absences and notify parents when their child has exceeded 5 absences in a quarter. Missouri Law requires parents to have their child attend school for 1044 hours.

➤ FIELD TRIPS/COMMUNITY SERVICE OUTINGS

Parents must sign the Transportation Authorization in the Enrollment Form, and provide written permission through email for each field trip or outing your child attends. If we do not have a signed form on file or receive written permission, your child will not be allowed to attend the activity, which may result in them staying behind at school for the day. If we do not have enough adults to stay at school with your child, we will ask that your child stay at home.

If Coeur Academy staff determines a child's behavior at school prevents him/her from being successful and appropriate during a field trip or school outing, the child will need to stay at school with a staff member or the child's parent/guardian may accompany him/her on the outing.

I have read and understand the importance of informing the office at office@CoeurAcademy.org any information regarding tardies, illness, absences, field trips etc.

- Reinforce skills
- Fill gaps due to work not completed due to absences
- Encourage independent work
- Promote executive functioning skills: managing time, prioritizing, self-monitoring, focusing on tasks until completion, etc.

Parents and students are responsible for ensuring a homework routine is in place for student success for the following reasons:

- Preparation for classroom discussions or following day activities
- Fostering independent skills
- Progression towards individual goals and comprehension of curriculum content

Coeur is committed to providing students access to digital media to support engaged learning while protecting them from harmful content. With these goals in mind, we have created the following policies for our students at school:

indoor recess. Students may not use any type of electronic device during arrival and dismissal. Devices may not be used to view inappropriate adult related content, take pictures or write/talk inappropriately about other students on personal social media accounts.

All personal devices, including cell phones, must adhere to the Coeur Academy Acceptable Use Guidelines. Failure to comply with these guidelines may result in confiscation of the device and/or loss of privileges at the discretion of School Administration. Coeur Academy is not responsible for loss or damage of personal devices.

➤ STUDENT/PARENT/STAFF CONDUCT RESPONSIBILITIES

Students, parents, and staff of Coeur Academy are obligated to treat each other with respect and dignity. Staff and Parents are role models for all students, requiring issues to be resolved in respectful manners. Parents are asked to directly contact the appropriate teacher when a concern arises.

Students, Parents, and Teachers are expected to:

- Respect personal space
- Respect property. Destruction of property of another student or the school will be billed to the parents.
- Use kind words and positive language

Smoking, tobacco, drugs, or alcoholic products of any kind are not allowed on Coeur Academy's property.

Many of our students come from backgrounds that may include trauma. Verbal or written threats of violence are strictly prohibited and considered unacceptable. Handguns, objects used as a weapon or in a threatening manner are not allowed on school property, and if discovered, the police will be called immediately and the student will be expelled from Coeur Academy.

Coeur staff is aware that students do not always come to Coeur Academy with the skills to successfully demonstrate these responsibilities. Coeur staff will consistently teach and model appropriate behavior to shape socially acceptable and safe behavior. If a student continues to demonstrate behavior that interferes with their progress or the progress of other students despite implementation of strategies, changes within the school day, and outside therapeutic support, then Coeur staff and parents will meet to discuss an alternative course of action. Coeur Academy embraces opportunities to work with privately hired professionals to increase academic, social, and emotional success of each student.

Coeur Academy Policies 2020-2021

Coeur Academy admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

Coeur Academy requests that parents/guardians provide complete transparency regarding their child’s current emotional functioning and provide outside written reports and progress from prior placements. Understanding a child’s behavior and how it affects their own progress and peer’s progress in a group environment is necessary for Coeur staff to support all students for success. If a child exhibits *continuous* aggressive behavior that causes harm to themselves, peers, or staff despite implementation of de-escalation techniques, the child will be restrained *as a last resort* using Nonviolent Crisis Intervention (NCI). If a child requires NCI, the parent/guardian will be informed afterwards, and a follow-up meeting will occur to determine if Coeur Academy is the appropriate placement for the child.

My child and I have read and understood the importance of following these conduct guidelines to ensure the well being of the Coeur Academy community.
