

To qualify for Financial Aid, the parent(s) or guardian(s) must fill out an application with the current years tax forms attached. Completed applications must be placed in a **sealed envelope** marked "**Financial Aid Committee**", and returned by August 15.

Envelopes will then be provided to the Financial Aid Committee, which consists of three members from the community with experience making financial aid recommendations.

After the committee reviews each application, they will then provide Coeur Administration with a recommended financial aid award amount for individual applicants. Coeur Academy will then notify families the awarded amount, which is contingent upon available funds.

The Financial Aid Committee will shred applications immediately after determining a suggested award amount.

Please remember this program is subject to available funds. Families who are awarded Financial Aid are required to head a fundraiser and participate in fundraising efforts that directly benefit the Financial Aid Account. Fundraiser ideas must be approved by Coeur Academy.

Please let me know if you have questions.

Sincerely,
Ann Deddens
